

Your church can now accept Pi donations

Pi Network has over **60 million members worldwide** — many of them Christians who want to tithe using Pi. Tithe in Pi is a free global directory that connects Pi donors with churches that accept Pi donations.

3 steps to start accepting Pi tithes

1

Register your church

Go to tithe.pi and tap Register. Free, takes 2 minutes.

2

Add your Pi wallet

Paste your Pi wallet address. Donors can give directly to you.

3

Get verified

Post your wallet address on your website or social media and submit for verification.

Why join?

Free forever. No fees to list or receive donations.

Completely safe. Donations go wallet-to-wallet. We never hold funds.

Global reach. Pi donors worldwide can discover and support your ministry.

Grow with Pi. Pi is a real, tradeable currency. Early adopters may benefit most.
